RE: FOIA Request regarding 2009 NPS Environmental Monitoring Report

After reviewing the 2009 Report on Environmental Monitoring at Nuclear Generating Stations I am releasing the attached errata. My recommendation is to add a similar errata document (attached) to any existing copies of the report. The errata document should also be posted with the electronic text on our website.

IEMA 2009 – Report on Environmental Monitoring for Nuclear Generating Stations

Errata

- p. 34, ¶ 2: “... in a ten-mile radius around the Byron station.” should read “... in a ten-mile radius around the Clinton station.”
- p. 34, ¶ 3: “In 2008...” should read “In 2009...”
- p. 38, ¶ 1: “...second quarter of 2008...” should read “...second quarter of 2009...”
- p. 42, ¶ 1: “... in a ten-mile radius around the Byron station.” should read “... in a ten-mile radius around the LaSalle station.”
- p. 47, ¶ 4: “In 2008...” should read “In 2009...”
- p. 50, ¶ 4: “...community water samples in 2008.” should read “...community water samples in 2009.”
- p. 51, ¶ 4: “... in a ten-mile radius around the Quad Cities station.” should read “... in a ten-mile radius around the Zion station.”
- p. 51, ¶ 5: “In 2008...” should read “In 2009...”
